

Arts / Awe & Wonder Week

Monday 1st March - Friday 5th March 2021

'Rainbow Portraits'

Inspired by the book 'When the World Made a Rainbow' by Michelle Robinson we are inviting children to choose a colour from the rainbow and create their own self-portrait.

If you have not done so already, please listen the story via this link:

<https://youtu.be/E8587eUxY1g>

You can use ANY media (pencils, crayons, pastels, paint, collage etc.) to create your artwork. We just ask children to stick to one colour and have a go at creating different shades of their chosen colour.

Please email a picture of your self-portrait by **Thursday 4th March** so it can be added to our virtual art gallery. On Friday, we will send a link to show off what children have done in school/at home and celebrate our children's wonderful artwork.

You are also welcome to send in your self-portrait when we return to school on Monday 8th March. On returning to school, we would like to create a rainbow of our children's faces and celebrate being together again.

We look forward to seeing your amazing artwork!

Mrs Jackson, Miss Tittensor & Mrs Paton

*Let's paint a big rainbow to put on display
When people pass by it, they'll see it and say,
"All rainstorms must end, and this rainstorm will too."
And they'll feel a bit happier, all thanks to you.*
