We will provide information promptly, subject to the conditions based on our duties under the Freedom of Information Act 2000. This policy outlines our response to the Act and provides a framework for managing requests.

2. Scope

This policy applies to all information held by school regardless of how it was created or received. It applies irrespective of the media on which the information is stored and whether the information is recorded on paper or held electronically. The Act's powers are fully retrospective and thus information is accessible no matter how old it may be. Similarly, information in draft form will also be accessible under the Act. It should be noted that access to personal information (that is information from which a living individual can be identified) is still governed under the Data Protection Act /General Data Protection Regulation 2018. Requests for access to such information will be governed in line with the requirements of this legislation.

Any request in writing will be considered a Freedom of Information request including those received by email and fax. If you require a paper version of any of the documents within the scheme, please contact the school:

We may be unable to provide the information you request for the following reasons:

- We do not hold the information;
- We are applying an exemption to the disclosure; and
- The cost of locating, retrieving and editing (where necessary) the information would exceed the statutory maximum amount (currently £450). This figure is set by Government and is based on the work exceeding 18.5 man hours to gather the information. If we are unable to provide the information we will do all we can to advise you as to how you might obtain the information elsewhere or in a different way to keep the cost down.

The School will seek advice from the Local Authority's Information Governance Manager as necessary to clarify any points or to help resolve any disputes over information requests.

4. Adopting and Maintaining Publication Schemes

St. Bede's Catholic Infant School has adopted a Publication Scheme (see below) in accordance with Section 19 of the Freedom of Information Act and is committed to updating and maintaining it to keep it current and relevant. Material contained within the publication scheme, and a copy of the scheme itself, will be readily available. The scheme can be accessed in school on request. School staff will give advice and assistance on how to use the scheme as appropriate.

5. Relationship with the Data Protection Act / General Data Protection Regulation 2018

St. Bede's Catholic Infant School is under a legal duty to protect personal data under the Data Protection Act / General Data Protection Regulation 2018.
