

Return to school September 2020

All pupils return to school in September. The government has issued highly detailed guidance relating to PE which the school will follow meticulously and rigorously matching the needs of the children

PE /Sport Funding 2020 - 2021

Plans for the allocation of this funding for 2020-21 are posted on the school website and included in the SDP.

A hard copy can be obtained on request from the school office

The funding allocation for 2020-21 is £17650 with an additional £2364 carry forward funding due to Covid-19.

Please refer to the PE/Sport Funding Action Plan for 2020-21 for details of the deployment of funding for this academic year including those actions detailed below which are based on proven high impact and sustainable strategies:

- Employ external expertise with a continued focus on planning, delivery and assessment of the progression of fundamental skills in line with PE curriculum and to support recently appointed teaching staff to ensure a consistent and high quality teaching approach across the whole school.
- Continue to build upon previous CPD opportunities for staff focusing on progression of fundamental skills through the application of these skills to the redesigned Active Playground.
- Creative Steps to provide CPD to support the delivery of the new dance programme and the quality of creative dance lessons for all pupils.
- Evaluate the use of newly purchased i-pads and impact on assessment and development of fundamental skills.
- Use acquired internal expertise to deliver skills across wide range of extra-curricular sports-Identify, support and develop children who display talent in specific areas of skill providing links to external accredited clubs and supporting the development of life-long participation in sports.
- Network meetings will also provide access to competitive opportunities for pupils for example through the organization of competitions with partner schools and sharing of ideas for supporting, developing and sustaining PE and Sport within school through the use of Sports funding.
- Further develop opportunities for partnership work with the Juniors to support progression in PE and Sport.
- Purchase Enrich resources and programmes to support and strengthen cross-curricular links within PE
- Purchase new PE equipment to fully support the delivery of fundamental skills throughout the year and during both PE lesson time and playtimes.
- Repurchase Active Maths and Active English programmes along with 'Health movers' activity packs to support and further enhance cross-curricular and home school links.
- Purchase new laptop and IWB to support the delivery of PE programmes to support the development of fundamental skills.

The evaluation of the impact of the funding on the quality and breadth of PE and Sport Provision is integral in the Action Plan.
