Preparing children for the future e.g moving to the Junior School, moving to a new year group.

A very comprehensive induction programme is in place for preparing children for entering school e.g visits to school, pre-school literacy and maths workshops, induction meetings for parent/carers.

Children transferring to the Junior school participate in an induction programme during the summer term which includes visiting their new class/teacher, meeting with Year 6 pupils for activities, meeting with Playleaders, Junior staff also visit the children in their own classes in the infant school.

Children moving from Reception Year to Year One and Year One to Year Two have a number of opportunities to meet with their new teacher/class and classroom to familiarise them with changes to staff and school environment.

The Staff and Governors would like to thank you for your thoughts and reflections which are greatly appreciated. Thank you for your continued support.
