

Collective Worship 14th October 2019

Our World—the Creation Story and Laudato Si - Care for Our Common Home

We added our pledges to our focus table.

Our visitors were invited to make pledges too on how they could help to care for our common home. Pledges included;

Not to waste water

Turn off lights

Not use single-use plastic

Recycle more

Walk instead of driving

Don't waste food

Help others around the world who have less than us

Thank you for helping us to think of ways to care for our Common Home.
