<i>Number on roll</i>	<i>247</i>	<i>Number of eligible pupils</i>	<i>48</i>	<i>Date of internal reviews of this strategy</i>	<i>December 2018 March 2019 July 2019</i>

Pupil Premium is additional funding paid by means of a specific grant based on the school census figures for pupils registered and eligible at any period in the last 6 years for Free School Meals (FSM) or pupils who have been looked after for one day or more or were adopted from care. These pupils are referred to by the DfE as 'disadvantaged', although they are from all ability levels. It is for schools to decide how the pupil premium is best spent to serve the needs of their disadvantaged children.

Specific allocation of the funding for the current year is detailed in the Pupil Premium Strategy Action Plan for 2018-19 and the impact of the deployment of the previous years funding is detailed in the reviewed Pupil Premium Strategy Action Plan for 2017-18. Copies are posted on the school website and are also included in the School Development Plan (A hardcopy is available from the school office).

The DfE have acknowledged that Pupil Premium funding is allocated for each financial year but has asked that schools refer to the academic year in their Pupil Premium Strategy. Therefore in September the funding noted will reflect allocations up to the end of the financial year (31.3) and then be updated to include the whole academic year.

Current Attainment

Excellent standards across all year groups have been maintained and sustained over many years. Historically by the end of Key Stage 1 school Pupil Premium pupils as a group have consistently performed broadly in line with or better than other pupils nationally. Our School target is to maintain high standards for all pupils and narrow the gap between Pupil Premium and non-Pupil Premium in school. From EYFS Baseline and in terms of school flags and tracking all pupil premium children make significant progress across all year groups.

(The ratio of SEN children within these groups is taken into consideration when evaluating impact and success criteria)

Data outcomes will be updated on release of DfE National Data

2. Current Attainment		
	Pupils eligible for PP (School)	Pupils not eligible for PP (National)
% achieving expected standard or above in Reading	74%	78%
% achieving expected standard or above in Writing	74%	73%
% achieving expected standard or above in Maths	84%	79%
% achieving expected standard or above in reading, writing and maths combined	74%	69%
% achieving GDS in Reading	26%	28%
% achieving GDS in Writing	21%	17%
% achieving GDS in Maths	21%	24%
% achieving GDS in reading, writing and maths combined	16%	13%
% making expected progress in reading (as measured in the school)	100%	
% making expected progress in writing (as measured in the school)	100%	

% making expected progress in mathematics (as measured in the school)	100%	
Phonics	Pupils eligible for PP (School)	Pupils not eligible for PP (National)
Year 1	81%	84%
Year 2	83%	93%
EYFS GLD	Pupils eligible for PP (School)	Pupils not eligible for PP (National)
	55%	74%

Main Barriers to Learning to future Attainment/Evidence of Barriers

(For pupils eligible for Pupil Premium, including high ability)

Baseline and ongoing assessment over many years evidences that the main barriers to learning and achievement for our pupils are language and communication skills, literacy skills and personal and social development. Historically Pupil Premium children as a group in school also have a high percentage of children identified as SEN in comparison to the whole cohort.

Ongoing observation and assessment of individual children's needs is undertaken across all year groups throughout the year and these needs are identified in Personalised Learning Records.

Pupil Progress meetings are undertaken at least half termly which facilitate staff discussion and planning to support all children including focusing on long term or transient needs and barriers as they arise. These may include for example attendance, poor health, attitudes to learning, parenting or safeguarding concerns or narrow experience of life outside of school.

Rationale and evidence base for chosen approach

Sir John Dunford National Pupil Premium Champion for the Government advised that schools focus on the quality of teaching to ensure all children reach their full potential. This is integral to our Mission Statement and Catholic ethos and drives our Pupil Premium Strategy.

The timing of the allocation of the Pupil Premium to school and the fluidity of Free School Meals (FSM) as a group drives decisions relating to the deployment of this funding within school to ensure the most efficient and effective use of the funding.

We recognise that not all pupils who are entitled to Pupil Premium are disadvantaged or vulnerable and that there are those children not eligible for Pupil Premium who are. Strategies such as group interventions funded by the grant may be made up of Pupil Premium pupils and non-Pupil Premium pupils where needs are similar.

Provision

The Sutton Trust and Learning Toolkit considers a wide range of common approaches and strategies to raising achievement and analyses them in order to identify the high impact approaches. The Pupil Premium Strategy Action Plan is based on some of the higher impact strategies and on the Ofsted document 'The Pupil Premium: How schools are spending the funding successfully to maximise achievement'. We are confident then that we are using interventions and approaches with a track record of success.

In line with our Mission Statement Pupil Premium has been and will continue to be deployed to staffing, to CPD and also to resources and extended activities as appropriate to meet identified needs. This enables children to maximise their progress and meet their potential in an atmosphere of trust and mutual respect.

Monitoring and Evaluation

The Headteacher and Staff as appropriate regularly and rigorously monitor and evaluate the impact of strategies employed. Plans for the deployment and evaluation of the impact of Pupil Premium is a standing agenda item at Governing Body Committee Meetings and is reported in the Headteacher's Termly Report to Governors. This ensures a strong focus on Pupil Premium by Governors.

Trained Pupil Premium Reviewer

Miss Scragg who is a senior member of our teaching staff is a trained Pupil Premium reviewer.

Miss Scragg (as above) and Mrs Paton (EYFS/Assessment co-ordinator) and Miss Coughlan (Headteacher) are also members of HBC 'Disadvantaged Working Group' formally 'Diminishing the Difference Working Group'.
