

Reading Challenge

We love reading books at St Bede's! During May we are holding a home reading challenge which our new reception children are welcome to join. Below are a list of challenges to choose from. For each challenge you complete, colour a part of the rainbow. When you have finished photograph the completed version, some photos of you completing the challenges or both and email to send@stbedesinfants.co.uk

- * Set up a teddy bears picnic and read a book to your teddies**
- * Create a den and read a book in there**
- * Read an e-book (Oxford Owls)**
- * Read to a family member (or get them to read to you) over a video call**
- * Read a book with an animal on the front cover**
- * Read a poem**
- * Read a book while eating a snack that you've helped to make**
- * Read a book in a strange place in the house**
- * Read a story and draw your favourite character**
- * Read whilst in fancy dress**

If you haven't got access to a printer for your rainbow, feel free to create your own version by drawing, collaging, using 2Simple on Purple Mash or creating a photo montage.
