

St. Bede's Catholic Infant School

Returning to school safely - September 2020

A guide for parents of Reception children

We are looking forward to welcoming our Reception children to our St. Bede's family.

In order to keep everyone safe, we have a new system for arrival and collection from school. The time that your child starts and finishes school will also be different. This is to make sure that all adults can keep as much distance as possible on the playground and on the approach to school.

Each year group will have a different drop-off and pick-up time and each class will have a different entry point onto the playground.

Part-Time

Monday 7th September to

Friday 18th September 2020

Keeping our school Covid-safe

Temporary rules to keep us safe in school will be followed from September.

Don't get too close to each other.
Don't touch each other.

Wash your hands regularly, for 20 seconds, using soap and water.

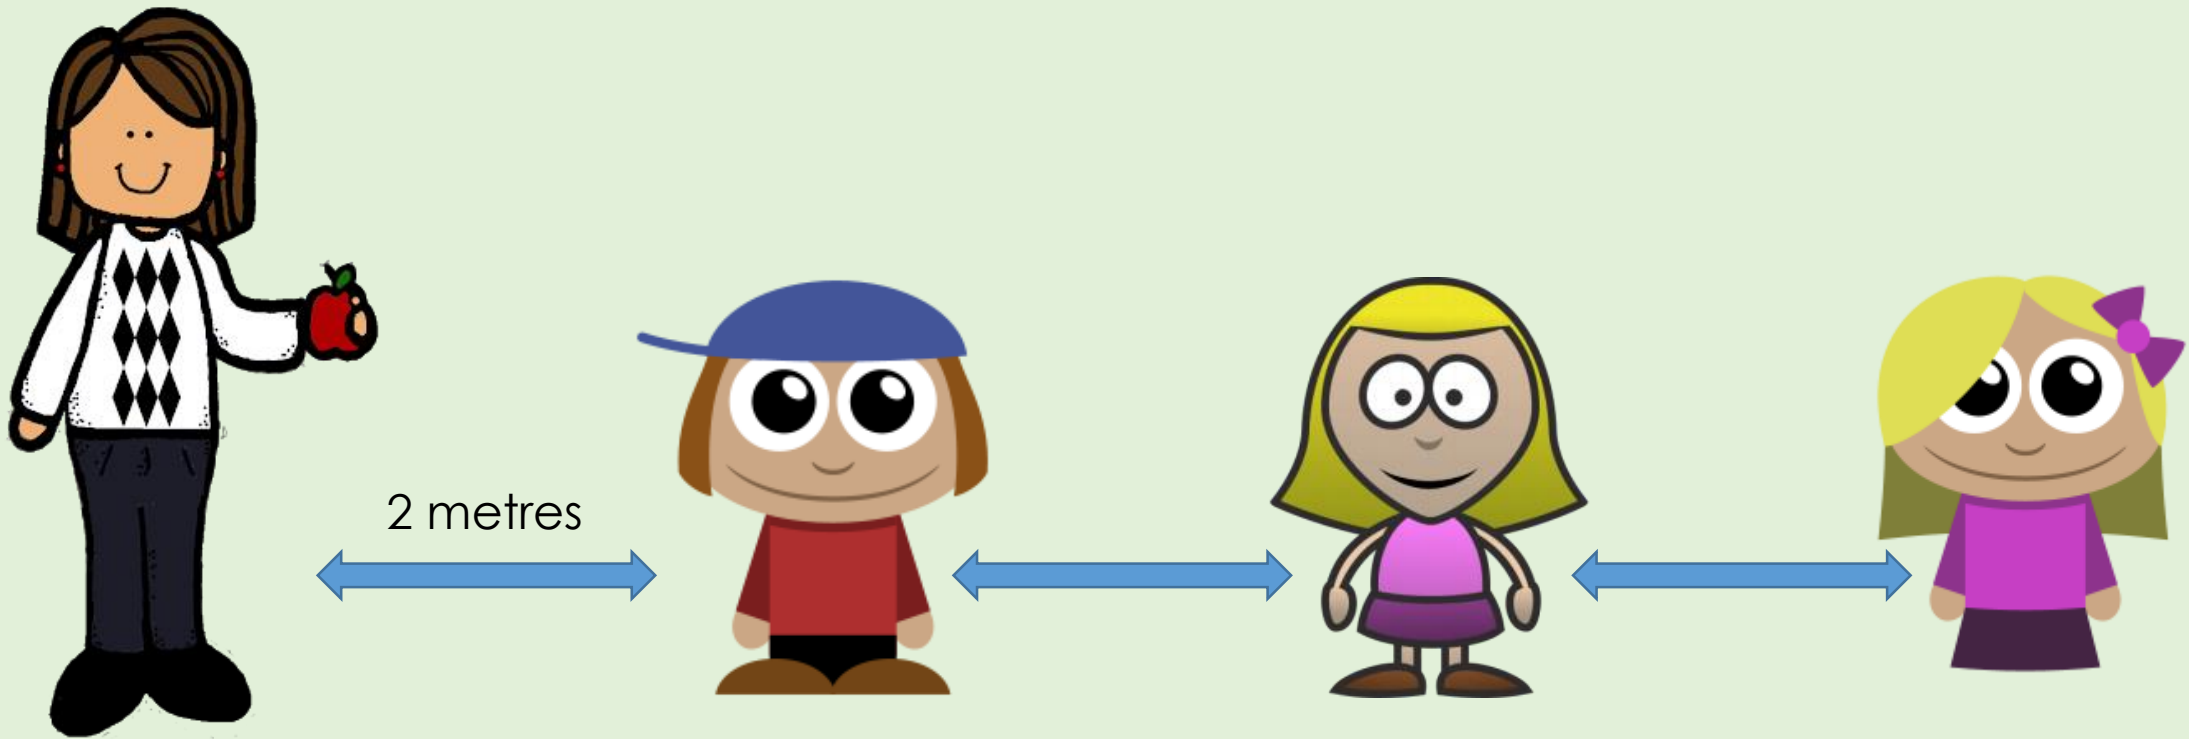

Listen carefully to all of the instructions from the adults.

Keep apart when you are lining up.

Always keep 2 metres apart from the adults.

Cover your mouth when you cough or sneeze.

You should try to cough or sneeze into your elbow.

Use a tissue and then put it in one of our 'Catch It, Bin It, Kill It' bins.

CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

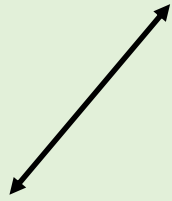

KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.

When we are playing try to keep apart and not touch each other.

Keep your things separate from other peoples. Only use your own equipment.

We look forward to seeing
everyone in September
