

# Letter

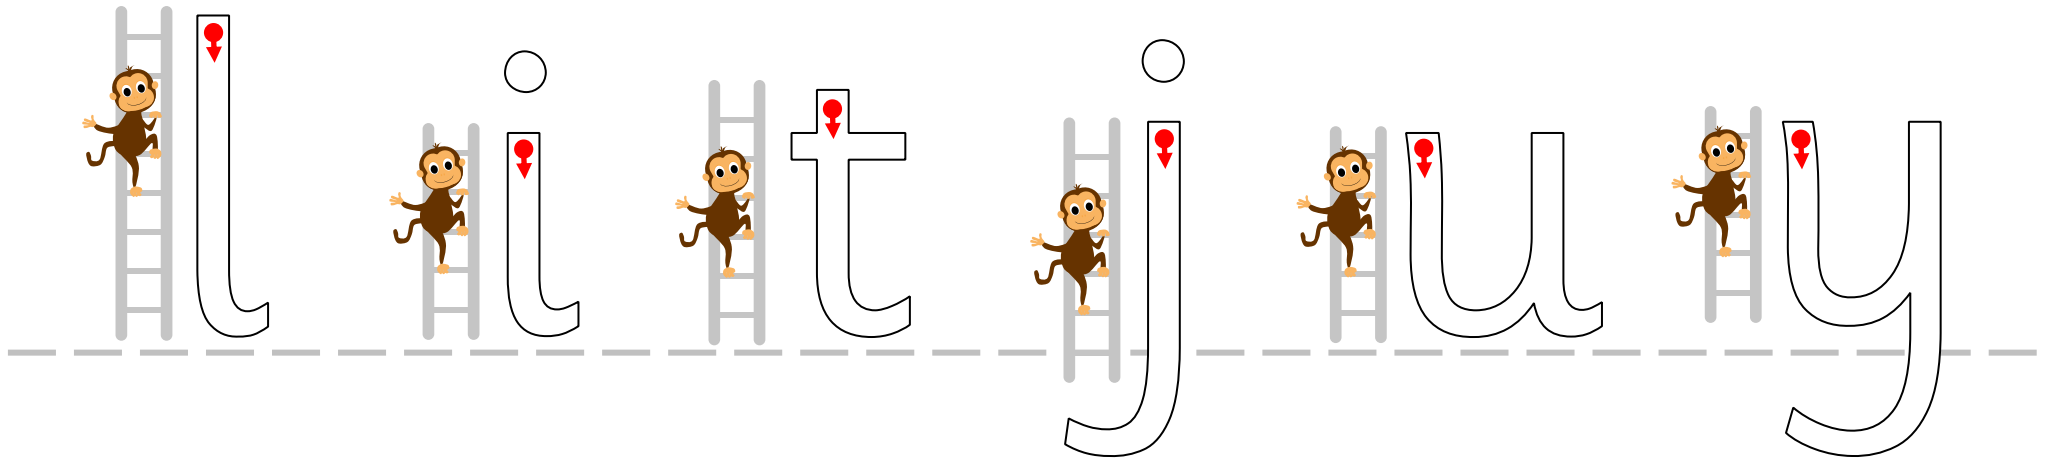

families

The word 'families' is written in a large, black, lowercase serif font. Each letter is decorated with a different illustration: the 'f' has a green and yellow caterpillar on its top curve; the 'a' has a red and black ladybug on its left side; the 'i' has a blue and grey robot standing on its stem; the 'm' has a brown monkey climbing a grey ladder on its right side; the 'i' has a black dot above it; the 'l' has a black dot above it; and the 'e' has a black dot above it.

# Ladder Letter family

When forming the letters in this family, you start from the top and move your pencil down, just like climbing down a ladder.

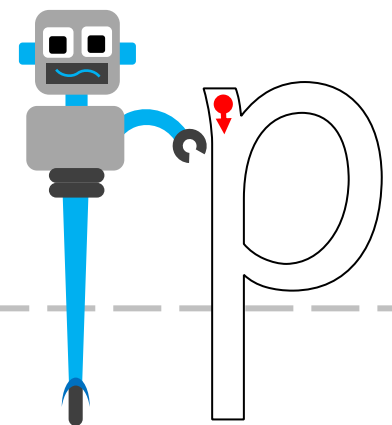

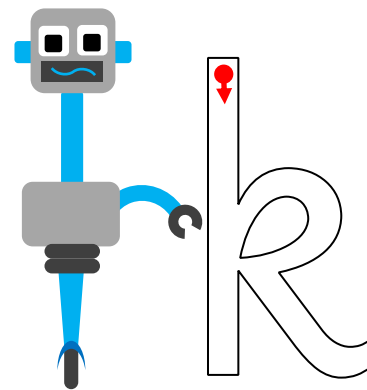

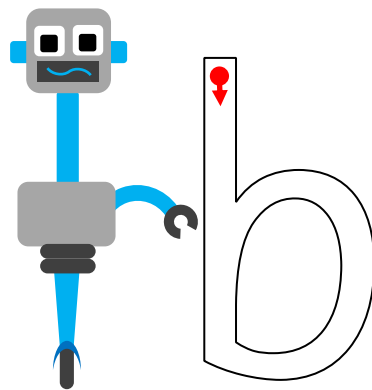

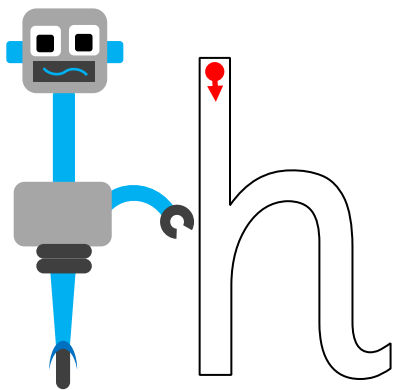

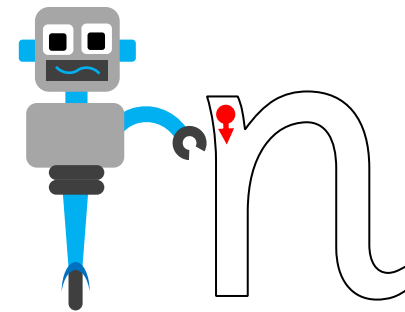

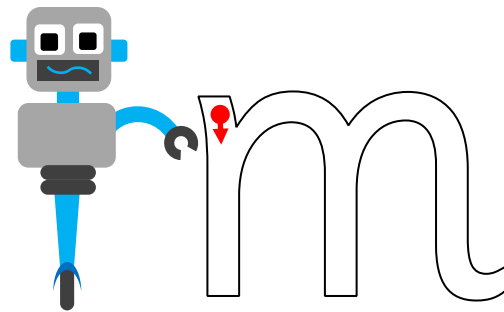

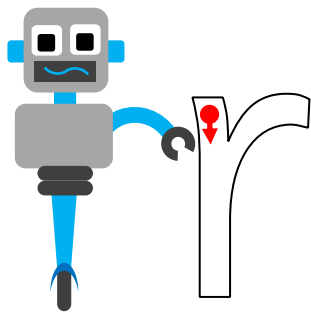

# Curly Caterpillar family

When forming the letters in this family, you start from the top and curl around to the left, just like a caterpillar. Apart from 'e'.

# One-armed Robot family

When forming the letters in this family, you start from the top and go straight down, then you come back up and over to the right.

# Zigzag Monster family

When forming the letters in this family, you start from the top left and form sharp zigzag points, just like the monster's sharp teeth.
