

## To know You more clearly

The Hear lens of each branch is focused on pieces of scripture, prayer or other religious writings which are the starting point for each branch.

Children hear the scripture directly from the Bible so that they recognise the importance of the word of God and recognise the Bible as our special book.

The following pages have the references for each piece of scripture that is being used for the year group throughout the year.

If you wish to share the scripture with your child then please use the Good News Bible translation.

We are using the Good News Bible—Children's Rainbow Edition.
