

My letter formation booklet

The image displays several handwriting practice cards. At the top, a red-bordered box contains the title 'My letter formation booklet'. Below it, two blue-bordered cards are tilted. The first card shows three lowercase 'f's: the first is solid black, the second is dashed for tracing, and the third is solid black. The second card shows three lowercase 'g's: the first is solid black, the second is dashed for tracing, and the third is solid black. Below these, a blue-bordered card shows three lowercase 'c's: the first is solid black, the second is dashed for tracing, and the third is solid black. A grey pencil is positioned as if writing the second 'c'. To the left of this card are the letters 'Aa' in a light grey font. To the right are 'Ss', 'Ll', and 'Nn' in a light grey font.
